

# Easter Revision School – Arrangements and risk assessment

## Ongoing Site Work

Ongoing site work around the English block and lower ground floor will mean that students must arrive and exit via the rear drive. The ground floor will be out of bounds during the Easter holidays.

- Lower ground area can't be used, hatches going in senior boys floor so no access to bottom floor.
  - Matrons entrance and lower ground floor of MFL, access hatches going in LA1 + LA3.
  - New flags and curbs being laid from main steps through to primary steps.
  - English block vinyl wrapping to be finished
- Both will require staff car park to be clear for machinery.

## Registration:

**All students to arrive via the rear drive and register in the diner.**

You will need to sign out and be escorted off site at the end of the day. Please leave via rear drive (3pm)

## Expectations:

- Students must not wander around school at any time
- All students to stay in their 'study areas'.

## Supervision:

- Designated social area for breaks: the Diner
- If you are staying over lunch, you will need to bring a packed lunches as there are no catering facilities open

## Toilets:

- Please use toilets on Humanities corridor
