

Cricket

Players must participate in conditioned practices and a full-sided competitive game to meet the criteria for the second column. Where it becomes apparent to the assessor that the students are not being given the opportunity to demonstrate their full range of skills in the game, assessors may intervene to create an opportunity (for example permitting defenders to switch sides) or use a conditioned practice (for example a one-on-one, or drill with additional instructions) to allow students to demonstrate their appropriate skills.
